SAFETY & SECURITY

In response to the "porch pirate" epidemic, many of our employees and tenants are arranging to have personal parcels delivered to them here at the Studio. Be advised, for safety and security reasons, all packages received at the mailroom are screened through our state of the art x-ray equipment, by a trained security officer, and are subject to further visual inspection and confiscation. Inherently dangerous articles or devices are strictly prohibited on the lot. This includes firearms, firearm parts, weapons of any kind, and explosive devices. Do not, under any circumstances, arrange to have these items shipped to you in care of the Studio. Those in violation of this policy may be subject to immediate expulsion from the lot. If you prefer that your packages are not opened, do not have them delivered to the Studio.

HAZEL'S LEGACY

On Wednesday, May 2nd the Studio will host a blood drive for Children's Hospital Los Angeles in memory of Mike (VP of Production Services) and Linda Skinner's granddaughter, Hazel "Hazelnut" Hammersley. In 2013, at the age of two Hazel was diagnosed with Stage 3 Neuroblastoma, a rare cancer of the nerve tissue which almost always affects children. Hazel fought a long, hard battle but sadly succumbed to the disease on March 30, 2018, at the age of seven.

Please consider donating if you can. Each blood donation can help two children in need. There will be a mobile unit parked outside of MPR 9 from 8:00 a.m. – 2:00 p.m. You may sign up using the link below and select your preferred time.

Donor must weigh at least 110 pounds (17 year olds must weigh over 120 pounds).
Donors are encouraged to have a healthy meal before donating and to drink plenty of fluids.
